Lab Tasks

Here's what you get

## 1. Course Objective

Accounting All-In-One For Dummies, 3rd Edition, is your all-encompassing guide to mastering various aspects of accounting. In this course, you'll explore critical topics like financial reporting, budgeting, and financial decision-making, equipping you with the skills needed to succeed in the world of accounting. From setting up accounting systems to fraud prevention, this course offers a comprehensive understanding of accounting. With interactive lessons and practice tests, you'll not only enhance your expertise but also embark on a journey to conquer the realm of numbers. Whether you're a student, a business owner, or a professional, this course paves the way for financial success.

## 2. Exercises

There is no limit to the number of times learners can attempt these. Exercises come with detailed remediation, which ensures that learners are confident on the topic before proceeding.

**70**  
EXERCISES

## 3. Quiz

Quizzes test your knowledge on the topics of the exam when you go through the course material. There is no limit to the number of times you can attempt it.

**258**  
QUIZ

## 4. flashcards

Flashcards are effective memory-aiding tools that help you learn complex topics easily. The flashcard will help you in memorizing definitions, terminologies, key concepts, and more. There is no limit to the number of times learners can attempt these. Flashcards help master the key concepts.

## 5. Glossary of terms

uCertify provides detailed explanations of concepts relevant to the course through Glossary. It contains a list of frequently used terminologies along with its detailed explanation. Glossary defines the key terms.

## 6. Expert Instructor-Led Training

uCertify uses the content from the finest publishers and only the IT industry's finest instructors. They have a minimum of 15 years real-world experience and are subject matter experts in their fields. Unlike a live class, you can study at your own pace. This creates a personal learning experience and gives you all the benefit of hands-on training with the flexibility of doing it around your schedule 24/7.

## 7. ADA Compliant & JAWS Compatible Platform

uCertify course and labs are ADA (Americans with Disability Act) compliant. It is now more accessible to students with features such as:

- Change the font, size, and color of the content of the course
- Text-to-speech, reads the text into spoken words
- Interactive videos, how-tos videos come with transcripts and voice-over
- Interactive transcripts, each word is clickable. Students can clip a specific part of the video by clicking on a word or a portion of the text.

JAWS (Job Access with Speech) is a computer screen reader program for Microsoft Windows that reads the screen either with a text-to-speech output or by a Refreshable Braille display. Student can easily navigate uCertify course using JAWS shortcut keys.

## 8. State of the Art Educator Tools

uCertify knows the importance of instructors and provide tools to help them do their job effectively. Instructors are able to clone and customize course. Do ability grouping. Create sections. Design grade scale and grade formula. Create and schedule assessments. Educators can also move a student from self-paced to mentor-guided to instructor-led mode in three clicks.

## 9. Award Winning Learning Platform (LMS)

uCertify has developed an award winning, highly interactive yet simple to use platform. The SIIA CODiE Awards is the only peer-reviewed program to showcase business and education technology's finest products and services. Since 1986, thousands of products, services and solutions have been recognized for achieving excellence. uCertify has won CODiE awards consecutively for last 7 years:

- **2014**
  1. Best Postsecondary Learning Solution

- **2015**

1. Best Education Solution
2. Best Virtual Learning Solution
3. Best Student Assessment Solution
4. Best Postsecondary Learning Solution
5. Best Career and Workforce Readiness Solution
6. Best Instructional Solution in Other Curriculum Areas
7. Best Corporate Learning/Workforce Development Solution

- **2016**

1. Best Virtual Learning Solution
2. Best Education Cloud-based Solution
3. Best College and Career Readiness Solution
4. Best Corporate / Workforce Learning Solution
5. Best Postsecondary Learning Content Solution
6. Best Postsecondary LMS or Learning Platform
7. Best Learning Relationship Management Solution

- **2017**

1. Best Overall Education Solution
2. Best Student Assessment Solution

4. Best Higher Education LMS or Learning Platform

- **2018**

1. Best Higher Education LMS or Learning Platform
2. Best Instructional Solution in Other Curriculum Areas
3. Best Learning Relationship Management Solution

- **2019**

1. Best Virtual Learning Solution
2. Best Content Authoring Development or Curation Solution
3. Best Higher Education Learning Management Solution (LMS)

- 2020
  1. Best College and Career Readiness Solution
  2. Best Cross-Curricular Solution
  3. Best Virtual Learning Solution

## 10. Chapter & Lessons

uCertify brings these textbooks to life. It is full of interactive activities that keeps the learner engaged. uCertify brings all available learning resources for a topic in one place so that the learner can efficiently learn without going to multiple places. Challenge questions are also embedded in the chapters so learners can attempt those while they are learning about that particular topic. This helps them grasp the concepts better because they can go over it again right away which improves learning.

Learners can do Flashcards, Exercises, Quizzes and Labs related to each chapter. At the end of every lesson, uCertify courses guide the learners on the path they should follow.

### Syllabus

#### Chapter 1: Introduction

- About This Course
- Where to Go from Here

#### Chapter 2: Accounting for the Basics

- Knowing What Bookkeeping and Accounting Are All About
- Wrapping Your Brain around the Accounting Cycle
- Working the Fundamental Accounting Equation

## Chapter 3: Charting Your Accounts

- Navigating the Chart of Accounts
- Setting Up Your Chart of Accounts
- Giving Credit (Or Is It Debit?)
- Understanding Double-Entry Accounting

## Chapter 4: Using Journal Entries and Ledgers

- Keeping a Journal
- Bringing It All Together in the Ledger
- Putting Accounting Software to Work for You

## Chapter 5: Choosing an Accounting Method

- Choosing Your Method
- Sorting through Standards for Other Types of Accounting

- Staffing Your Business
- Collecting Employee Taxes
- Determining Net Pay
- Surveying Your Benefits Options
- Preparing Payroll and Posting It in the Books
- Depositing Employee Taxes

## Chapter 11: Taxing Payrolls

- Paying Employer Taxes on Social Security and Medicare
- Completing Unemployment Reports and Paying Unemployment Taxes
- Carrying Workers' Compensation Insurance
- Maintaining Employee Records

## Chapter 12: Depreciating Your Assets

- Appreciating Depreciation

- Comparing Depreciation Options
- Tackling Taxes and Depreciation

### Chapter 13: Interesting Rates

- Deciphering Types of Interest
- Handling Interest Income
- Delving into Loans and Interest Expenses

### Chapter 14: Proving Out Cash

- Making Sure That Ending Cash Is Right
- Closing the Cash Journals
- Using a Temporary Posting Journal

### Chapter 15: Reconciling Accounts and Closing Journal Entries

- Reconciling Bank Accounts
- Prepping to Close: Checking for Accuracy and Tallying Things Up
- Posting to the General Ledger
- Checking Out Computerized Journal Records

## Chapter 16: Checking Your Accuracy

- Working with a Trial Balance
- Testing Your Balance by Using Computerized Accounting Systems
- Developing a Financial Statement Worksheet
- Replacing Worksheets with Computerized Reports

## Chapter 17: Adjusting the Books

- Adjusting All the Right Areas
- Testing an Adjusted Trial Balance

## Chapter 18: Stating Your Income

- Understanding the Nature of Profit
- Choosing the Income-Statement Format
- Deciding What to Disclose in the Income Statement
- Examining How Sales and Expenses Change Assets and Liabilities
- Considering the Diverse Financial Effects of Making a Profit
- Reporting Extraordinary Gains and Losses
- Correcting Common Misconceptions about Profit

## Chapter 19: Balancing Your Sheets

- Homing in on Historic Cost
- Discovering What Makes an Asset Current
- Exploring the Asset Section of the Balance Sheet

## Chapter 20: Digging for Debt in the Balance Sheet

- Seeing How Businesses Account for Liabilities
- Keeping Current Liabilities under Control
- Planning for Long-Term Obligations
- Accounting for Bond Issuances

## Chapter 21: Explaining Equity

- Understanding How Owner Equity Varies among Business Entities
- Distinguishing between Two Types of Capital Stock
- Defining Paid-In Capital
- Recording Retained Earnings
- Spotting Reductions to Stockholders' Equity
